AMORacing.com is open for business. Going racing these days has changed from the past, and AMO is moving along with that change. Racing has a cost that is scary, so scary at times it pushes people away from this amazing sport. Well, AMO racing has gone to bat and found more support (with more to come) to help shed some light at the end of the racing tunnel. "For years, I've wanted to showcase the sport I love in the way I want to see it," shares AMO Owner Ryan Gauld. "The support we have is because these great people believe in me, and what AMO plans to deliver. It's not rocket science. People just want a little more bang for their buck. Simple!"

KTM Canada is back for 2016 with awesome support once again. KTM Contingency (identical to last year. See [HERE](#). Updated class names to come) will be available for all KTM customers amongst the class list. KTM Canada will also be a participating sponsor for the small classes once again (all 50 classes at all races. Gopher Dunes is all small track classes). At each of the 11 MadSkills races KTM Canada will be offering \$100 in KTM products which will be given away at the end of day podium to some lucky AMO racers (total of \$1100 dollars in prizeing). Lastly, on top of the amazing support already, KTM along with AMO will be giving away a 2017 50cc or 65cc to one lucky winner at the MadSkills Series ending banquet. A lottery draw between 50cc 4-6, 7-8, and 65 7-9, and 10-11 class will determine the winner (Must be an AMO Member, as well race at least 7 MadSkills series races to be eligible).

Husqvarna Canada is a new addition to the AMO family. Husqvarna Canada contingency is back for 2016 (Details [HERE](#). Updated class names to come) and available for all Husqvarna dirt bike owners in the offered classes. The new part that we are so proud to have Husqvarna Canada on board for is there 2016 TC 85. AMO will have one of these amazing machines in their possession for the general public to use at every practice day prior to each AMO race, just to try for racers age 7-16 (Waiver's and parental signatures will be required). Are you a pioneer? Now, you get the chance to find out with AMO!!

MB1 Canada will once again be the official suspension sponsor for AMO Racers. They will be trackside to offering up any suspension need and answer any questions you may have. Owner Mike Parliament is a veteran behind the wrenches and MB1 Canada delivers a product unmatched for any age or size racer. MB1 Also has a special offer for the month of February. Starting Monday, Feb 1<sup>st</sup> the next paid 25 AMO members will be offered 30% off any MB1 Canada Suspension Services: oil changes, rebuilds etc (AMO will notify MB1 of who the lucky members are and Mike will contact you with the offer and discuss details)

AMO racing couldn't be more excited to have these amazing supporters behind us to help deliver a better racing experience for our customers.
