

Honda Racing makes any RED RIDER feel welcomed to race with AMO/MMRS

Where there is unity there is always victory!

The race season is fast approaching with just over one month till the opening race at Gopher Dunes for AMO/MMRS in 2017. This off-season has been one for the records in ways that only benefit our members and supporters that choose to race with us. "Never before has an amateur scene received so much support to enhance the racing experience like what's being seen in Ontario," states AMO President Ryan Gauld. "With the help of MMRS, our goals are being met each week. We're very excited to get the season going."

Honda Racing sees the value in supporting AMO/MMRS for 2017 because it's all about the amateur racers. The grass roots of the sport are the reason we can all continue to enjoy the sport of Motocross in Ontario. Without the great families that race each weekend with AMO/MMRS the pro series would be very hard to maintain or even survive.

Honda Racing will support with:

- In the Atlas Brace Super series Honda Racing will give away \$250 dollar parts credit to a Honda rider of AMO/MMRS choice at every round (13 events) for a total of \$3250.
- Honda Racing offers contingency for the Atlas Brace Super Series
- The Madoc National in August will receive 1 - \$500 parts credit to a Honda racer of AMO/MMRS choosing.
- Lastly, one lucky Honda Racer will win another \$500 parts credit at the yearend banquet celebration. That makes a total of \$4250 from Honda Racing in Parts Credit.
