

## Points, Awards, and Pit Bike Info for Motopark + Banquet Final

*Where there is unity there is always victory!*

There's a lot going on this weekend at Motopark for the final race. The entire year comes to a close but there is still a crap ton of business to take care of. "As much fun as this weekend will be there is a ton of work behind the scenes to make sure it all works out properly," states Ryan Gauld. "It's stressful but this PR shows exactly how it all works out and makes it easier for the members to come into the weekend knowing how it all works."

### Points:

- Atlas Brace Super Series takes your best 9 Overall Results
- The Madoc National/Atlas round counts for a round and half (three motos)
- If you finish with a half a round extra (like 9.5 or 10.5) your overall from Madoc gets taken off as half moto/overall score. If you finish 1<sup>st</sup> overall that's 25 points taken off, 2<sup>nd</sup> 22 points, 3<sup>rd</sup> 20 points and so on until 20<sup>th</sup>. Your Half score if you have one gets taken off Madoc National/Atlas round, NOT ANY OTHER ROUND.
- Your worst scores are taken away to make your best 9 round results.
- In case of a tie we go to the most overall wins. If still a tie then 2<sup>nd</sup> places, then 3<sup>rd</sup> places and so on till a tie breaks.
