

# 2018 South Western and Eastern Ontario Schedules Announced

*Where there is unity there is always victory!*

It's time to set your calendar and go racing in Ontario!! The South Western and Eastern Regions have come together to make the most attractive schedule for all races throughout this region.

"We're kicking it old school," shares AMO President Ryan Gauld. "For many years the Ontario regions ran strong with SWO and Eastern being separate and we have now made a plan to make it work again. It's also exciting to bring back a true Ontario Provincial series visiting every great track this region has supported by manufacture contingency. It's been a long process but working alongside MRC will prove to be the best for the future and growth of our sport."

Membership Info can be found at <http://mrcracing.com/ontario.html>

"Because Ontario has run differently than the rest of the country so we have done something special for our members for years 1 and 2 under the MRC," states Ryan Gauld. "We have purchased for year one a discount that keeps the pricing the same as 2017 for Ontario members. In year two the membership will go up to \$120 for single and \$200 for a family. Then year three we will match the rest of the country at \$140 for single and \$250 for a family. The price is \$100 for single and \$160 for a family for 2018."
